

Property Newsletters with serious grunt

Meaningful property
e-newsletters in 5 minutes.

- Red Square Communicate, incorporating our revolutionary Lead Alert Solution
- Red Square Communicate will send you leads from buyers and sellers alike, straight from your mobile phone and email inbox before your contact is lost to a competitor
- Property listings automatically loaded to your Red Square Communicate account
- Comprehensive content library at your fingertips
- Property e-newsletters will save your vendors money and reduce listing times
- Educate your buyers
- Educate your sellers
- Generate property sales
- Generate new listings

The image displays two overlapping screenshots of the 'place' real estate website. The top screenshot shows a newsletter header with the 'place' logo and phone number 02 8356 8888. Below the header is a featured property listing for Hunters Hill, priced at \$3,250pw, with a description and contact information. The bottom screenshot shows a 'SOLD' notification for a property in Paddington, along with contact details for the office and agents.

Red Square Communicate can become the main source of Sales and Listings for any real estate office no matter how large or small. With just minimal training and a little discipline.
